

Project Experience

Project information – Concrete floors

Location: Belgium
Project: Concrete floor
Owner: Akzo Nobel

Surface Preparation

Substrate concrete
HP WC

Coatings System

MCU-MASTIC
MCU-TOPCOAT

Tolerance to moisture, very good adhesion, high abrasion resistance and long term flexibility makes MCU-Coatings to a perfect choice for floor coatings. Even on green concrete MCU-Coatings brings the solution to save time. Even AKZO NOBEL, paint producer themselves, have chosen MCU-Coatings to paint their warehouse flooring.
